Education

MBChB (Makerere University) - 1971-1976

Post Graduate Education and Training

1. Fellowship of the Royal College of Physicians (Edinburgh) . July 2008
2. Postgraduate Diploma in Infectious Diseases, 2007, London School of Hygiene & Tropical Medicine
3. MSc in Infectious Diseases, 2007, University of London
4. Master of Medicine Internal Medicine, 1984, University of Nairobi
5. Certificate in Tropical Medicine, 1982, University of Nairobi

Certifications

1. Postgraduate Diploma in Infectious Diseases (London School of Hygiene & Tropical Medicine) . October 2004 . 2006 External degree programme
Graduated March 2007
2. MSc in Infectious Diseases (University of London) . 2004 . 2006
Graduated March 2007
3. Master of Medicine Internal Medicine (University of Nairobi) - 1984
4. Certificate in Tropical Medicine (University of Nairobi) - 1982
5. MBChB (Makerere University) - 1971-1976

Licence for Private Medical or Dental Practice, 2013 (Active)

Employment History

Academic Appointments (Teaching)

2009 to date - Professor of Medicine, Department of Internal medicine University of Nairobi.

1994 to 2009 . Associate Professor of Medicine and Head of Division of Gastroenterology, Department of Clinical Medicine and Therapeutics, University of Nairobi

1988 to March 1994 . Senior Lecturer, Department of Medicine, Medical School, University of Nairobi

1983 . 1988 - Lecturer, Department of Medicine, University of Nairobi

Other Employment

- (1) Adjunct Professor, Division of Infectious Disease
University of Texas Medical Branch, Galveston, Texas, USA
2009 to date
Responsible for teaching hepatitis to the certificate of infectious disease at UTMB
- (2) Distinguished Visiting Professor
February 2010
Division of Infectious Disease
University of Texas Medical Branch (UTMB), Galvestone.
- (3) Consultant Physician/Infectious Disease
Specialist/Gastroenterologist
The Nairobi Hospital, Kenya
2000 to date

- 2006 to date . Consultant, Infectious Disease Specialist, CCC,
Kenyatta National Hospital . Central referral clinic for all
AIDS/HIV patients
- 1991 to date - Consultant in charge Ward 7D, Kenyatta National Hospital
. in charge of the medical outpatient and liver clinics
affiliated to this ward.
- Admitting and treating patients on average 70 per week.
 - Discharging the usual clinical duties but also for bedside
teaching especially on infectious diseases and the field
of gastroenterology to postgraduate and undergraduate
medical students, nurses, dentists and other healthcare
workers.

Kenyatta National Hospital
- 1986 to date . Consultant Physician and Gastroenterologist,
Kenyatta National Hospital
- October 1979 . 1983 . Senior House Officer, Kenyatta National Hospital
- February 1978 . August 1979 . Medical Officer, Nairobi City Council
- August 1977 . January 1978 . Casualty Officer, Aga Khan Hospital

Administrative Service

Departmental Duties

- 2008 - Topic Chairman
Infectious and Tropical Diseases (post-graduate lecture
programme)
- 2007 - Chairman and Convenor,
Research Committee, Department of Medicine, University of
Nairobi
- 1997 to date - Convenor
Postgraduate Curriculum Committee

Department of Medicine/Paediatrics
Kenyatta National Hospital

November 2000 to January 2001 and October 1998 to February 1999
Acting Chairman

Department of Medicine, University of Nairobi

1999 to date - Member,
Departmental Postgraduate Committee

1995 to date - Departmental Representative
Curriculum Committee
Department of Medicine, University of Nairobi

November 1994 to January 1995
Acting Chairman
Department of Medicine, University of Nairobi

1991 to 1999 . Chairman
Postgraduate Committee
Department of Medicine, University of Nairobi

1987 . 1991 - Chairman and Co-ordinator
Final Year MBCHB Examinations

February 1987 . March 1989 . Chairman
Ground Rounds (Combined Paediatrics and Medicine)
Department of Medicine, University of Nairobi

1985 . 1986 - Elective Students Supervisor

1986 . 1987 - Terminal examination supervision for Fifth Year MBCHB

1984 . 1986 . Member
Examination Committee Final MBCHB Examinations

February 1986 to date - Consultant in charge
Liver Clinic, Kenyatta National Hospital

June 2012 . Convenor, PACE HIV Symposium, Nairobi, Kenya

2008 . 2010 - External Examiner, Muhimbili University of Health and Allied Sciences, Tanzania

1994 -2009 - Vice chairman and member, Medical Advisory Committee, The Nairobi Hospital

1994- 2000 - Chairman, Division of Medicine, The Nairobi Hospital

1994 . 2000 . Board member, The Nairobi Hospital

Grant Support

Active Grants/Projects

September 2009 . September 2014 (Co-Principal Investigator)
Partnership for Advanced Clinical Education, PACE
(Rapid needs assessment of pre-service medical and health worker HIV educational programs and in-service training in HIV care and treatment in Kenya.)
Grant funded project by PEPFAR/CDC
Grant No. PS001857-01-FOA-PS09-988

July 2010 . June 2015 (CO- Principal Investigator)
Partnership for Advanced Care and Treatment, PACT
(Support HIV service expansion and maintenance through provision of direct clinical services and patient care)
Grant funded project by PEPFAR/CDC
Grant No.: Ps001919-001-Kenya

September 2009- September 2014 (Senior Technical advisor)
PI . Prof. Zipporah Ngumi
Partnership for Advanced Care and Treatment Center of Excellence, PACT CoE
(Support to develop and implement high level technical capacity to provide evidence-based tertiary level HIV care and treatment services in KNH and Pumwani Maternity Hospital in Kenya)
Grant funded project by PEPFAR/CDC

Books

1. Current Concepts in Colonic Disorders
Copyright 2011, InTech
ISBN 978-953-307-957-8
Editor: Godfrey Lule
2. Guidelines for Prevention & Management of Opportunistic Infections and Tumours in HIV/AIDS
2002
NASCOP
Copyright 2001, Ministry of Health, Government of Kenya
Editors: G.N. Lule, Joseph Aluoch and Kenneth Chebet
3. Guidelines to Antiretroviral Therapy in Kenya
1st Edition February 2001
NASCOP
Copyright 2001, Ministry of Health, Government of Kenya
Editors: G.N. Lule and Kenneth Chebet

Chapters in Textbooks

1. The African Textbook of Clinical Psychiatry and Mental Health
Chapter 3 . Psychiatric and Mental Health Training pp 11 . 13
Editor: Prof. D.M. Ndetei AMREF 2006

Peer-reviewed journal articles

1. C.S. Ilovi, **G.N. Lule**, A.O. Obel and H. Irimu
Co-relation of WHO clinical staging with CD4 counts in adult HIV/AIDS patients at Kenyatta National Hospital, Nairobi
EAMJ Vol. 88 No. 2, February 2011
2. H. N Kim, J. Scott, A. Cent, L. Cook, R. A. Morrow, B. Richardson, K. Tapia, K. R. Jerome, **G. Lule**, G. John-Stewart and M.H. Chung
HBV lamivudine resistance among hepatitis B and HIV coinfecting patients starting lamivudine, stavudine and nevirapine in Kenya
Journal of Viral Hepatitis, 2011

- ..., **Lule G.N.**, Karari E.
a and dysglycaemia in HIV infected patients at
Kenyatta National Hospital.
EAMJ Jan 2008 Vol 85 No. 1
4. B. Gitura, M.D. Joshi, **Lule G.N.**, Ansala O
Total lymphocyte count as a surrogate marker for CD4+ T cell count in
initiating antiretroviral therapy at Kenyatta National Hospital, Nairobi
EAMJ October 2007 Vol 84 No 10 p 466
 5. Kalebi A., Rana F., Mwanda W., **Lule G.N.**, Hale M.
Histopathological profile of gastritis in adult patients seen at a referral
hospital in Kenya
World J. Gastroenterology 2007 Aug 14;13(30): 4117-21

Supervision of Postgraduates

(37 postgraduate MMed dissertations of which 33 students have completed and have been awarded the MMed degree and 4 who are currently continuing with their dissertations)

Completed Dissertations

- (1) **July 2011**
Dr. Carolyn Syokau Ilovi
Correlation of WHO, clinical staging with CD4 Count in adult HIV/AIDS patients at Kenyatta National Hospital. - Passed

Dr. Matilda K. Ongondi

%Thrombocytopenia in HAART naïve HIV infected patients attending the Comprehensive Care Clinic at Kenyatta National Hospital+
Passed

(3) **2009**

Dr. Stephen A. Onyango MMed Medicine

%Factors associated with late diagnosis and presentation of HIV/AIDS patients at Kenyatta National Hospital+ - Passed

(4) **2009**

Dr. Riro Mwita MMed Medicine

%Prevalence of hypertension and CVS risk factors in HIV patients on anti-retroviral therapy+ - Passed

(5) **August 2008**

Dr. Milton Obilo Achieng

%Early immunological response among patients on first line HAART in KNH+

(6) **August 2008**

Dr. Angela McLigeyo

%Validation of cockcroft-gault, MDRD formulas in KNH+

(7) **August 2008**

Dr. Redempta Kimeu Mwelu

%Bacteremia in HIV-1 positive adults with fever at KNH+

(8) **February 2008**

Dr. Sylvia Kimathi

%Utility of colonoscopy in identifying aetiology of chronic diarrhoea in HIV seropositive patients with negative stool analysis+

(9) **August 2008**

Dr. Francisca Adhiambo

%Evaluation of the prevalence of nevirapine resistance in HIV positive ARV naïve patients and in HIV positive patients on nevirapine based regimens at CCC at Kenyatta National Hospital+
- Passed

(10) **August 2007**

Dr. Crispin Owuor Oduor MMed Medicine

%Validity of chest xray, sputum, microscopy and mantoux in the diagnosis of tuberculosis+

Kizito

- Prevalence and baseline characteristics of HIV discordant couples at CCC+ - Passed
- (12) **August 2007**
Dr. Salim H. Hassanali MMed Medicine
Determinants of outcome of management of UGIB at Kenyatta National Hospital. - Passed
- (13) **2006**
Dr. George M. Muturi MMed Medicine
Intestinal parasitic infections in HIV-infected adult patients with chronic diarrhoea at Kenyatta National Hospital+ - Passed
- (14) **2006**
Dr. Bernard Muriuki Gitura MMed Medicine
Utility of total lymphocyte count as a surrogate marker for CD4+ T cell count in the initiation of HAART at Kenyatta National Hospital+ - Passed
- (15) **2006**
Dr. Evans Manuthu MMed Medicine
Cardiovascular complications of HIV disease+ - Passed
- (16) **2005**
Dr. Ahmed Yakub Kalebi MMed Pathology
Eosinophils in Gastritis+ - Passed
- (17) **2004**
Dr. Jane W. Karuru – MMed Medicine
Prevalence of Hepatitis C virus genotypes infection and HCV/HIV coinfection in some broad sub-groups of the Kenyan population+ - Passed
- (18) **2004**
Dr. G.W. Kiarie – MMed Medicine
A Study to investigate clustering of cancer in families+ - Passed
- (19) **2003**
Dr. Jane Karioki – MMed Medicine
Gastric Cancer at the Kenyatta National Hospital+
A Study of the Clinico-Epidemiological Pattern - Passed

Ndege – MMed Medicine

Prevalence of HBsAg, HBcAg, AntiHCV, HIV and Alpha Feto Protein in patients with Hepatoma at Kenyatta National Hospital+ - Passed

(21) **2001**

Dr. Saumu Hatibu – MMed Medicine

Risk Factors and patterns of presentation of Cholelithiasis at Kenyatta National Hospital+ . Passed

(22) **2000/2001 – Completed in September 2001**

Dr. J. Wafula

MMed Thesis: Prevalence of Helicobacter Pylori in Diabetics with Dyspepsia+ . Passed with credit. *Best Dissertation of the year 2000/2001*

(23) **2000/2001 – Completed in September 2001**

Dr. H. Phirozee

MMed Thesis: Upper GIT Endoscopic findings in patients with Human Immunodeficiency (HIV/AIDS)+ . Passed with credit. *Second best Dissertation of the year 2000/2001.*

(24) **March 1999**

Dr. E. Karari

Prevalence of Helicobacter Pylori in Chronic Renal Failure+ . *Best dissertation for the year 1999/2001*

(25) **1995**

Dr. James Ilako

Prevalence of HBV and dHCV markers in Chronic Liver diseases at Kenyatta National Hospital+ . - Passed

(26) **1993**

Dr. Mathews Ntambazi

Predictors of Variceal Haemorrhage in patients with Portal Hypertension+ . - Passed

(27) **1993**

Dr. Kioko

Ascites in Kenyatta National Hospital+ . - Passed

(28) **1992**

Dr. Ogutu

Factors that influence the outcome of Hepatic Encephalopathy in Liver Disease patients at Kenyatta National Hospital+ . - Passed

bio

- (30) 1990**
Dr. Hannah N. Kibuka
%The Clinical Pattern and Factors that influence the short term
outcome of Upper Gastrointestinal Bleeding at Kenyatta National
Hospital+ - Passed
- (31) 1988**
Dr. Byarugaba
%A descriptive study of Chronic Hepatitis as seen at Kenyatta
National Hospital+ - Passed
- (32) 1987**
Dr. Fatuma Faraj
%Comparison of Ultrasonography to Liver Biopsy in diagnosis of
liver diseases+ - Passed
- (33) 1987**
Dr. Mark D. Joshi
%Serum Pepsinogenemia 1 and ABO Blood Groups in Duodenal
Ulcer at Kenyatta National Hospital+ - Passed
- (33) 1987**
Dr. Mark D. Joshi
%Upper Gastrointestinal Tract in Chronic Renal Failure as seen at
Kenyatta National Hospital+ - Passed

MMed Student currently being supervised:

- (34) Dr. Peter Gathirimu**
%Prevalence of microalbuminuna in HIV infected patients on anti-
retroviral therapy in Kenya+
- (35) Dr. Kiio S. Ndolo**
%Treatment outcomes of second line antiretroviral therapy in
Mbagathi District Hospital comprehensive care unit+

Supervision

- (36) **Dr. Daser wambua Mulwa Kaindi**
%Food consumption patterns and molecular characterization of streptococcus bovis/streptococcus equines complex from persons with/without colorectal cancer in Kenya+
- (37) **Dr. Ruth W. Muriithi**
%Cytological findings of the esophagus using sponge cytology on patients referred for esophageal endoscopy at Kenyatta National Hospital

Major Guest Speaker/Visiting Professor

- April 2013 - Grand Hyatt Dubai
The patient with IBS . Therapeutic challenges International congress
Chairman of teaching aspect: Other G.I functional disorders
- August 2012 - SAGES 2012 . Durban, South Africa
Experience with treatment of chronic HBV/HCV in Kenya
- February 2012 . University of Texas Medical School, Texas, USA
More than skin deep (A patient with Tuberculosis diagnosed on splenic aspirate)
- October 2011 - Uganda Physicians Association, Kampala, Uganda
Current concepts in management of hepatitis
- February 2010 . University of Texas Medical School, Texas, USA
Case presentation in grand round . Case of Rabies
- April 2009- Mauritius
Hepatitis Africa Experience Exchange meeting
Concepts on Hepatitis C management
- September 2008- Windhoek, Namibia CME
Current Management of Hepatitis
- April 2 . 3, 2008 - Care in Uganda
5th HIV AIDS Management Workshop . Quality of Care
(Presented paper on %HBV/HCV and HIV co-Infection Recent advances.+)

- August 2002 - Lagos, Nigeria
Guest speaker during nevirapine launch in the
treatment of HIV/AIDS
- August 2002 - Abuja Nigeria
Nevirapine Launch
The use of Nevirapine in HIV/AIDS treatment
(Keynote address)
- May 2001 - Gastroenterology Society of Uganda Launch
Helicobacter pylori in peptic ulcer disease, current
management of acid related disease
Keynote speaker and lecturer

External Examiner

- (1) Muhimbili University of Health and Applied Sciences, Dar-es-Salaam
August 2010 . External examiner of MMed postgraduate examinations
- (2) Muhimbili University of Health and Applied Sciences, Dar-es-Salaam
July 2009 . External examiner of MMed postgraduate examinations and MSc Nephrology and Cardiology examinations.
- (3) Muhimbili University of Health and Applied Sciences, Dar-es-Salaam
July 2008 . External examiner for postgraduate examinations

International conferences organized

- 1. June 14th -15th 2012
HIV Symposium
The Role of Training and Research in health Service Delivery:
Lessons Learnt from The HIV Epidemic+
College of Health Sciences
University of Nairobi
Nairobi, Kenya

ED AND PAPERS READ

(I) **Conferences Attended**

- (1) April 5th . 6th 2013
The patient with IBS therapeutic challenges
Chairman: %Other GI functional disorders+
Dubai, UAE
- (1) August 9th . 11th 2012
SAGES/SAGES Congress
Durban, South Africa
- (2) May 7th . 10th 2011
